

Autumn Glen Homeowners Association

2024 Annual Meeting

**7:30pm - 10/29/2024 - Dublin Community Senior Center
685 Union Lake Rd.**

Landscaping - Snow Removal - 2025 Budget - Elections - Deed Restrictions
Common Areas - WLPD - Subdivision Events - Meet & Greet - See you soon!

- We pay for supplemental snow plowing to ensure that our roads are passable after a snowfall. Salt will only be applied in our entrance due to the high cost. Keep in mind that our roads may be icy this winter and drive with caution. Call the Oakland County Road Commission if our roads need attention this winter. To help guide the plow trucks, you may place orange reflective rods along the roadway.
- Request from fellow neighbors: Please keep dogs between the sidewalk and curb while walking. Also, please keep storm drains free of debris. Trim back branches overhanging sidewalks and roads.
- **Please bag all garbage** before placing in the cart. Larger **recycling carts** (with lids) are available for purchase by calling Priority Waste at **586-228-1200**. Thank you for helping keep our roads litter-free.
